**TRANSMITTAL OF SUBSTITUTE DECLARATION**

Sir:

REMARKS

Further to the RCE filed August 19, 2010, Applicants submit herewith a pair of Substitute Declarations separately executed recently by the two inventors on two different dates in two different locations.

The Declaration originally filed in this application January 8, 2005 does not appear to be a full copy because it contains duplicate page two signature pages. Each page is signed by a different inventor and combined into one Declaration. Applicants wish the record to reflect either one Declaration where all inventors have signed or separate complete Declarations. It could not be determined if the original complete Declaration exists or not and so two separate complete Declarations recently executed by each inventor in separate locations on separate dates are enclosed herewith.

Respectfully submitted,

/Francis J. Maguire/
